

Quality Policy Statement

Top Level Construction Ltd is committed to attaining the highest standards of workmanship in all operational areas.

General Policy Statement

It is the policy of Top Level Construction Ltd to:

1. Undertake or work in a manner, which fully meets our client's satisfaction, specification and requirements.
2. Continue to improve our efficient and cost effective method of work and to be reactive to methods and standards within the industry.
3. Communicate throughout the company the importance of exceeding client requirements.
4. Continue to develop our customer and client base as a result of our reputation, service and workmanship.
5. Maintain a policy to continually improve performance in respect of products and services provided to clients and customers.
6. Acknowledge that health and safety as well as the environment are factors that also have a direct bearing on the service provided to clients and customers.
7. Ensure the company's policies are understood, implemented and maintained.
8. Enhance our client and customer satisfaction.

As company directors, we will personally accept the responsibility of the Quality Policy and ensure this is reviewed on an annual basis.
